Dear Officers and Members of the Central Board of Students,
Claret School of Quezon City, High School Department,

Your efforts towards alleviating and helping a poor sector of our community are worthy of praise and encouragement.

Considering that the Philippines has a big mass of poor people, deprived of material things, which is also true of all Asia, and your desire to do something for them in a concrete place like Barrio San Vicente, it is with pleasure that I praise your undertaking as being really Christian to in some way uplift their way of life.

Truly, you have acquired the preference of St. Anthony Claret, your patron Saint of Claret.

CONGRATULATIONS, too, go to U.P. Samahang Pilipino who has joined you in putting up this entertainment program.

GOD BLESS YOU!

(Sgd.) REV. FR. SANTIAGO GONZALEZ, C.M.F.
Director

14, February, 1979

We love to imagine a world that is perfect — a world wherein pain, suffering, poverty, and misery are non-existent. We picture in our minds a planet devoid of tormented individuals; where everybody is free and contented.

On the contrary, reality brings to us all these things. We realize that this world is not a paradise. Pain and suffering exist. There are poor and miserable people. Their agony is perhaps beyond our imagination. They badly need our assistance.

We decided to put up this concert as our own humble way of helping our less fortunate brothers. Yet, it could have been very difficult for us had it not been for those people who constantly supported, guided and encouraged us to push through with this noble task.

In behalf thus of the entire Student Body, and the indigent families of Barrio San Vicente, I wish to extend my sincerest gratitude to our administration, our beloved mentors, our talented performers, our generous sponsors and to all those who, in one way or another, made this concert possible.

Thank You Very Much.

(Sgd.) JOSE M. DE VERA
